## **Best Practices II**

### **Free Medical facility in College**

Digvijai nath P.G College has got collaboration with Guru shree Gorakshnath chikitsalaya, Gorakhpur to provide Free medical facility in every week of Tuesday and Wednesday as a life-saving program which aims to provide free medical services with ambulance facility to college Staff, students and communities living near by the college by Doctors with varieties of medical specialized services. The main objective of a medical camp is to provide initial care to people in life-threatening conditions which reflect the unique strengths and goals of medical ethics. Medical room is especially allotted for health checkups. Regular promotion of medical facility in college by Principal and IQAC among students and staff to get free health checkups. NSS and Rover-Rangers organizes health awareness program to make aware about the health issues to community such as encephalitis, dengue, diarrhea, cancer, AIDS etc. Awareness program especially for girl's student to aware about their health and hygiene problems. College organizes free medical camps for the community affected in natural disaster such as flood.
