

## ICT/Computing Skills Program for Session 2023-24

ICT skill enhancement training programs aids the students in equip themselves with computing skills which they need in further education and as an ongoing learning process and provide access to information through external networks. Now days, Higher education systems have grown exponentially in the last five decades to meet the demands of quality of education for all. ICTs in higher education are being used for developing course material; delivering content and sharing content; communication between learners, teachers and the outside world; creation and delivery of presentation and lectures; academic research; administrative support, student enrolment.

### 1. Report on Workshop on “Project Presentation using Computer Languages”

**Event Title:** Workshop on “Project Presentation using Computer Languages”

**Date:** 23rd September 2023

**Organized by:** Department of Computer Science, Digvijai Nath P.G. College, Gorakhpur

**Chief Speaker:** Sri Sharat Chand Tripathi, Director, Balaji Academy

**Number of Participants:** 50 (B.Sc. Computer Science and BCA students)

**Objective of the Program:** The primary objective of this workshop was to enhance the ICT and computing skills of the students, specifically focusing on preparing and delivering effective project presentations using various computer languages. The workshop aimed to equip students with the necessary technical knowledge and presentation skills to effectively communicate their projects to peers, faculty, and industry professionals.

## Session Details:

### Inauguration and Welcome:

The event began with an inaugural session where Dr Pawan Kumar Pandey ,HoD, Computer Science welcomed the participants and introduced the chief speaker, Sri Sharat Chand Tripathi. The significance of project presentation skills in the IT industry was highlighted during the address.

### Keynote Session by Chief Speaker:

Sri Sharat Chand Tripathi, an expert in the field of computer science and education, delivered an insightful keynote session. He discussed:

- The importance of using appropriate programming languages for project development.
- Best practices for preparing project presentations.
- Effective ways to integrate coding, visuals, and data into presentations.
- Common mistakes to avoid during presentations.

### His session also emphasized:

- The need to simplify complex concepts for better audience understanding.
- The role of creativity and innovation in project demonstrations.

### Interactive Hands-on Training:

Following the keynote session, an interactive hands-on training session was conducted. Students actively participated and learned to:

1. Use software tools for project documentation and presentation.
2. Write and integrate functional code snippets in project slides.
3. Create visually appealing slides using programming and design tools.
4. Troubleshoot and debug common errors in code during presentations.

### Q&A Session:

Students were encouraged to ask questions, and Sri Sharat Chand Tripathi patiently addressed their queries. The discussion included topics like:

- Transitioning from academic projects to industry-level presentations.
- The role of emerging technologies like AI and machine learning in project demonstrations.

### Recognition and Excellence Awards:

To motivate and appreciate the participants, an Excellence Award was announced for the students who delivered the best presentations after the workshop. The evaluation criteria included:

1. Innovation and creativity.
2. Clarity and technical accuracy.
3. Presentation style and confidence.

Several students presented their projects, showcasing the skills they learned during the workshop. The winners were commended for their outstanding performance and given certificates of excellence.

## Feedback and Outcomes:

The workshop received highly positive feedback from the participants. Key takeaways included:

1. Improved confidence in presenting technical projects.
2. Enhanced understanding of project presentation tools and techniques.
3. Valuable insights into the expectations of industry professionals regarding project delivery.

## Suggestions from Participants:

- More workshops on advanced topics like machine learning, cloud computing, and cybersecurity.
- Follow-up sessions for deeper insights into specific programming languages.

## Conclusion:

The workshop on “Project Presentation using Computer Languages” proved to be a highly enriching experience for the students of B.Sc. Computer Science and BCA. It not only enhanced their technical skills but also provided them with an opportunity to showcase their creativity and knowledge. The Department of Computer Science expressed gratitude to Sri Sharat Chand Tripathi for his valuable guidance and assured the students of organizing similar programs in the future.

## List of Participants:

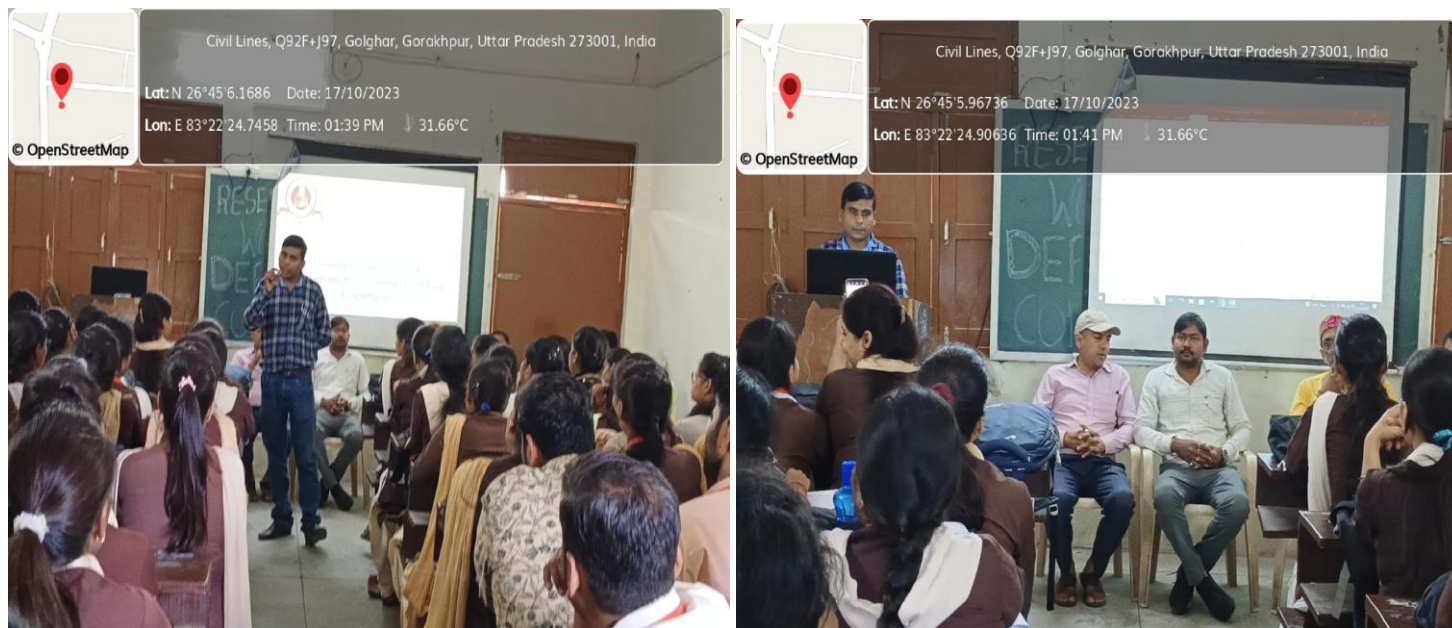

Name of Students	Gender	Level	Program	Class
PRATAPADITYA TRIPATHI	Male	UG	BCA	3rd Year
RAJAT RANJAN PRATAP SINGH	Male	UG	BCA	3rd Year

## 2. Report on Guest Lecture on “Preparation of Research Project Proposal using PowerPoint Presentation”

**Program Title:** Guest Lecture on “Preparation of Research Project Proposal using PowerPoint Presentation”

**Date:** 17th October 2023

**Organized by:** Department of Commerce, Digvijay Nath P.G. College, Gorakhpur

### **Objective of the Program:**

The primary objective of the program was to enhance ICT and computing skills among the B.Com students by demonstrating the effective use of PowerPoint presentations in preparing research project proposals. The session aimed to equip students with modern tools and techniques for research presentation, which are essential for academic and professional success.

### **Topic of the Lecture:**

“Preparation of Research Project Proposal using PowerPoint Presentation”

### **Chief Speaker:**

Dr. Subhash Gupta, a renowned academician and expert in commerce and research methodologies, was invited as the chief speaker.

### **No. of Participants:**

A total of 130 students from the B.Com program enthusiastically participated in the session.

### **Program Highlights:**

#### **1. Inauguration:**

- The event commenced with a welcome address by the Dr Sanjeev Singh, Head of the Commerce Department.
- The importance of ICT skills in today’s competitive world was emphasized.
- Dr. Subhash Gupta was introduced, highlighting his contributions to research and teaching.

## **2. Keynote Address by Dr. Subhash Gupta:**

- Dr. Gupta began with an introduction to research project proposals and their significance in the academic and corporate world.
- He elaborated on the structure of a research project proposal, covering essential sections such as:
  - Title page
  - Abstract
  - Objectives
  - Methodology
  - Expected outcomes
- A detailed walkthrough of using PowerPoint tools was provided, including:
  - Creating visually appealing slides.
  - Using design templates and layouts effectively.
  - Adding charts, graphs, and tables for data representation.
  - Including animations and transitions to enhance the presentation's impact.
- Dr. Gupta emphasized maintaining a balance between content and design to ensure clarity and professionalism.

## **3. Interactive Session:**

- The students actively engaged with the speaker, asking questions related to their research topics and challenges in creating impactful presentations.
- Dr. Gupta provided valuable tips on presenting complex data in a simplified manner.

## **4. Hands-On Demonstration:**

- A live demonstration was conducted, where Dr. Gupta showcased the step-by-step process of creating a research project proposal using PowerPoint.
- Students were encouraged to follow along and practice on their laptops or notepads during the session.

## **5. Feedback from Participants:**

- The students expressed their gratitude for the informative session and highlighted how the lecture had clarified their doubts regarding project proposal preparation.
- They appreciated the practical approach of the session, which bridged the gap between theoretical concepts and real-world applications.

## **6. Vote of Thanks:**

- The program concluded with a vote of thanks delivered by Dr Deepak Sahni, Commerce Department.
- The faculty extended their gratitude to Dr. Subhash Gupta for his insightful lecture and to the students for their enthusiastic participation.

## **Outcome of the Program:**

- The lecture successfully equipped students with the skills to prepare and present research project proposals using PowerPoint.
- It enhanced their confidence in using ICT tools for academic purposes.
- The interactive and hands-on approach fostered a deeper understanding of the topic.

## **Photographs and Documentation:**

- Photographs of the event, showcasing active participation and interaction, were captured for documentation purposes.
- Attendance sheets and feedback forms were also maintained for record-keeping.

## **Conclusion:**

The guest lecture on “Preparation of Research Project Proposal using PowerPoint Presentation” was a resounding success. It not only enhanced the computing skills of the students but also inspired them to embrace technology as a vital tool in their academic and professional journey.

## List of Participants:

### 3. Report on Training on “Professional Development Program on Web Development”

**Date:** 14th December 2023

**Organized By:** Department of Computer Science and BCA, Digvijai Nath P.G. College, Gorakhpur

**Topic:** Training on “Professional Development Program on Web Development”

**Chief Speaker:** Dr. Anurag Tripathi

**Number of Participants:** 110 (B.Sc Computer Science & BCA Students)

#### Introduction

The Department of Computer Science and BCA at Digvijai Nath P.G. College, Gorakhpur, successfully organized a one-day training session on "Professional Development Program on Web Development" on 14th December 2023. The session aimed to enhance students' ICT and computing skills by providing practical insights into web development and its professional applications.

#### Objective

The program was designed to achieve the following objectives:

- To introduce students to the latest trends and technologies in web development.
- To provide hands-on training in building responsive websites and web applications.
- To bridge the gap between academic learning and industry expectations.
- To encourage innovation and creativity in designing and developing web-based solutions.

#### Details of the Program

##### 1. Inaugural Session:

The program commenced with a warm welcome address by Dr Harishankar Gupta, HoD,BCA. The significance of web development in the modern tech landscape was emphasized, and students were encouraged to actively participate in the training.

## 2. Keynote Address by the Chief Speaker:

The keynote session was delivered by **Dr. Anurag Tripathi**, a distinguished expert in web development and ICT. Dr. Tripathi discussed the fundamentals of web development, including HTML, CSS, JavaScript, and the integration of frameworks such as React and Bootstrap.

His address highlighted the following:

- Importance of responsive design and user experience (UX).
- Introduction to backend technologies such as PHP and databases (MySQL).
- Current trends like Progressive Web Apps (PWAs) and cloud integration.
- Career opportunities in web development and how to prepare for them.

## 3. Hands-on Training Session:

The practical session allowed participants to create their first fully functional web page using HTML and CSS. Dr. Tripathi guided students through:

- Setting up a development environment.
- Designing and structuring a web page.
- Adding interactivity with JavaScript.
- Tips for optimizing web applications for performance and SEO.

## 4. Interaction and Q&A Session:

An interactive Q&A session followed, where participants actively engaged with Dr. Tripathi. Questions ranged from advanced web development techniques to career guidance in the IT industry.

## Key Highlights

- **Engagement:** The session witnessed the enthusiastic participation of 110 students from B.Sc Computer Science and BCA programs.
- **Practical Learning:** Students gained valuable insights into the practical aspects of web development.
- **Motivation:** Dr. Tripathi inspired students to pursue advanced certifications and projects in web development.
- **Networking Opportunity:** The event provided a platform for students to connect with a seasoned professional in the field.

## Feedback from Participants

The participants expressed their gratitude for the opportunity to learn from an expert like Dr. Tripathi. Many students mentioned that the program boosted their confidence in coding and designing websites.

## Sample Feedback:

- "This session gave me clarity on how to approach web development as a career."
- "The hands-on training was extremely helpful in understanding the basics of HTML and CSS."

## Conclusion

The "Professional Development Program on Web Development" was a resounding success, equipping students with essential ICT skills and inspiring them to explore the vast opportunities in web development. The Department of Computer Science and BCA plans to organize similar workshops in the future to further enhance the technical capabilities of students.

#### 4. Report on Training on "How to Use ICT Equipment's"

**Date:** 16th February 2024

**Organised by:** Department of Computer Science and BCA, Digvijai Nath P.G. College, Gorakhpur

**Topic:** Training on "How to Use ICT Equipment's"

**Trainer:** Dr. Pawan Kumar Pandey

**Number of Participants:** 85 (B.Sc Computer Science & BCA students)

#### Introduction

The Department of Computer Science and BCA at Digvijai Nath P.G. College, Gorakhpur, organized a one-day training program on 16th February 2024. The program focused on enhancing the ICT (Information and Communication Technology) skills of students, specifically training them on the efficient usage of ICT equipment. With technological advancements rapidly transforming education and workplaces, this initiative aimed to equip students with practical skills necessary for academic and professional excellence.

#### Objective

The primary objectives of the training were:

1. To familiarize students with various ICT tools and equipment.
2. To provide hands-on experience in using these tools effectively.
3. To enhance digital literacy and promote the integration of ICT in everyday academic and professional tasks.
4. To build confidence in students for using modern technology in presentations, seminars, and project work.

#### Program Schedule

**Inauguration Session:** The event began at 10:00 AM with a formal inauguration. Dr Anuradha Singh, Assistant Professor, BCA welcomed all participants and emphasized the importance of ICT skills in today's digital era. Dr. Pawan Kumar Pandey, the trainer, was introduced, highlighting his expertise and contributions in the field of computer science and technology.

#### Training Sessions:

1. **Introduction to ICT Equipment:**
  - Overview of ICT tools like projectors, smartboards, video conferencing systems, and other digital devices.

- Importance of ICT in modern education and professional environments.
- 2. **Hands-on Training:**
  - Demonstration of setting up and operating projectors and smartboards.
  - Practical training on connecting laptops and mobile devices to ICT tools.
  - Steps to troubleshoot common ICT-related technical issues.
- 3. **Interactive Q&A Session:**
  - Participants actively engaged with Dr. Pawan Kumar Pandey, clarifying doubts and sharing experiences.
  - Common challenges faced by students while using ICT tools were addressed.

**Concluding Session:** The program concluded with feedback from participants. Students expressed their gratitude for the practical insights and skills gained through the training. Certificates of participation were distributed to all attendees.

## Impact of the Program

The training proved to be highly beneficial for the participants. The following outcomes were observed:

1. Improved understanding of ICT tools and their applications.
2. Enhanced confidence in handling digital equipment for academic and professional purposes.
3. Development of problem-solving skills related to ICT troubleshooting.
4. Increased awareness of the role of ICT in fostering innovation and productivity.

### List of Participants:

Name of Students	Gender	Level	Program	Year
RAHUL YADAV	Male	UG	B.Sc. (Math)	2nd Year
AMAN KUMAR	Male	UG	B.Sc. (Math)	2nd Year
RINKI KUMARI	Female	UG	B.Sc. (Math)	2nd Year
RITU SINGH	Female	UG	B.Sc. (Math)	2nd Year
SHALVI GAUR	Female	UG	B.Sc. (Math)	2nd Year
DRISTI SINGH	Female	UG	B.Sc. (Math)	2nd Year
KHUSHI PANDEY	Female	UG	B.Sc. (Math)	2nd Year
SAPNA KUMARI	Female	UG	B.Sc. (Math)	2nd Year
KRISHNA KUMAR TIWARI	Male	UG	B.Sc. (Math)	2nd Year
ANSHU GUPTA	Male	UG	B.Sc. (Math)	2nd Year
VIJAY KUMAR	Male	UG	B.Sc. (Math)	2nd Year
GAURI CHAUHAN	Female	UG	B.Sc. (Math)	2nd Year
